GENERAL BASEBALL NEWS OF THE DAY

There was more baseball enthusiasm in the city yesterday, than there has been for The Chicagos Have a Picnic With the Poor

a long time. There were two games played between the New York champions and the

there is not so much generous feeling in their favor among Pittsburgers, even on the Fourth of July, to wish them not to be beaten They are a very dangerous lot of fellows from a baseball standpoint, and depend upon it, it is an honor to beat them. How ever, as intimated above, the visitors really should not have won a game at all, because the game that fell to their share was a mis erable exhibition as far as the home player were concerned. Still everybody in the vast crowds seemed to be out to have some fun, and they had it despite who was losing or who was winning. In the first game the actual attendance was 5.275, and in the Stolen bases—Sweeney, Wilmot and Ryan 2, Wilmot and Ry second the attendance reached the pleasing figures of 7,750. Altogether there were more than 13,000 people at the two games, and that

WAS EXTREMELY GRATIFYING o the officials of the teams. Each club won a game, and that kept kept honors easy on that score, so that there was nothing to mar the jovial feeling of everybody concerned. The weather was excellent until near the close of the second game, when rain began to fall. It did notstop the contest, however.

In the morning game Morris and Fields were the home battery and Crane and Ewing looked game, and that kept kept honors easy on that

gave ten men bases on balls and made a wild pitch. He as usual displayed remarkable

speed.

Morris pitched admirably for the home players, and the vicitors conion't touch him. Ho showed his old-time form, and was well supported by Fields. The fielding of both nines was excellent, and many corking hits that seemed safe beyond a doubt were goldbled up. Big Roger Connor banged the ball clear against the left field fence. The ball struck within an inch of the top of the fence, and bounded back into the field. Almost everybody thought that it had gone over, but what might have been a great home run was only a two-bagger.

SOON GOT DOWN TO WORK. soon as they opened the game. Hanlon led off with a good hit, Sunday got first on balls, and so did Carroll. Miller's single brought Hanlon home, and Sunday got on Dunlap's sacrifice hit. In the second inning Fields' single and Morris' two-bases, together with the accordance of the control The home team commenced run-getting as Morris' two-bagger, together with the outs, netted another run, and no more were scored until the eighth inning. Kuchne got home with a run, which was made on an out, a wild

with a run, which was made on an out, a wild pitch and extremely good base running.

The visitors also made a run in the first inning. Gore got to first on balls, and aided by two outs and a bad fumble by Kuchne, reached home. In the ninth Connor made his long two-bagger, and O'Rourke's single brought him home.

The second game was, to some extent, wearisome; it seemed to be slow, and the general play was far behind that of the morning for quality. A large portion of the crowd were compelled to find seats on the grass, and a "limit" was roped off. A ball that reached the crowd was deemed a three-bagger, and New York sot two of them. Keefe and Ewing were the visitors battery, and Galvin and Miller were at the points for the home players. There was any amount of confidence in the air that another roast was in store for the big fellows. Old Galvin went capering across the diamond like a two-year colt when the game started, but before it was over, he showed the crowd that it.

WASN'T ENTIRELY JEEMS' DAY.

WASN'T ENTIRELY JEEMS' DAY.

He pitched a very tame game compared to what he has been doing lately. He was wild and ineffective. The Giants also had a berrowed mascot in the shape of a small boy, whose dress was more grotesque than usual. But this mascot and the moderate pitching of Galvin were probably not so disastrous as two errors that the home fielders made in the first two innings. These two errors cost four runs, and that really settled the game. They were very stupid errors, and it was hard to understand how such mistakes could be made.

Keefe pitched very well, indeed, except in the third unning, when he was touched up very lively. At critical stages the great Sir Timothy was on hand, and did business to the Queen's taste. The visitors, generally speaking, fielded well, and taking every thing into consideration, played a good game. It may be noted that Duniap and Sunday made two brilliant catches of flies, and effected double plays. Hanlon also in deep center, that is near where the crowd was lined, made a brilliant one-handed catch.

The visitors were first to score, and they

the crowd was lined, made a brilliant one-handed catch.

The visitors were first to score, and they made two runs in the first mning. Gorereached first on being hit by a pitched ball, and Tier-nan made a scratch hit into the middle of the diamond. Both n=2 were advanced a base by Ewing's sacrifice to Carroll, and Connor got first on balls. While Richardson was at bat Miller made a wild throw to third to nab Gore, and Tiernan scored.

In the next inning O'Rourke led off with a hit to left, but was splendidly caught napping at first by Galvin. Hatfield was retired at first, at first by Galvin. Hatfield was retired at first, but Whitney made a single to left. Then Keefe reached first on Smith's bad femble. Gore got his base on balls. Tiernan's crack to middle for a single brought in two more runs, and things looked blue for Pittsburg. Connor commenced the third inning, and thumped the ball into the arowd in right field for three bases and Richardson's single brought him home. After Connor was out in the fifth inning Richardson whacked the ball into the left-field crowd for three bases, and got home on O'Rourke's sacrifice hit. That ended the Giants' run-getting. The home players tied the score in the third inning, and there was tremendous excitement. They banged Keefe all over the lot, making four runs, three of which were earned. Hanlon led off with a single to middle and Sunday went to first on balls. Carroll knocked a long gy to O'Rourke, and Miller's sacrifice advanced Hanlon and Sunday to third and second. Duniap brought them both in by a hit to right, and Kuehne's double brought Duniap home. Then old Pop Smith loomed up with a double and Kuehne's double brought Duniap home. Then old Pop Smith loomed up with a double and Kuehne scored, but Fields retired this side by a fly to Gore. After the third inning the home players bad no show at all with Keefe. They never got another hit. McQuaid did not give satisfaction. Score:

A MISERABLE EXHIBITION.

CHICAGO, July 4.-The forenoon game bebetween the New York champions and the coral representatives, and the Eastern champions were very lucky, indeed, to get one of them. The first contest was a grand victory for the local men, and that caused an interest in the entire day's proceedings, that otherwise it would not have exerted.

The New Yorkers are favorites here, but there is not so much generous feeling in

ABOUT THE COLONELS. Thorough Reorganization to Take Place ar Louisville.

INFECIAL TRIEGRAM TO THE DISPATUR.

LOUISVILLE, July 4.—"We need a new battery worse than anything clee," said Mr. George Rieger, in whose name the Louisville club was purchased. "Ramsey is the only pitcher who is at all in fix, Ewing being sick and Stratton having a sore shoulder. Hecker, of course, will be kept on first base except in emergencies. We will have a new pitcher and catcher in a few days, and another fielder."

Mr. Whittaker, of the Athletic cleb, said this afternoon: "I think the Louisvilles, will finish fifth in the race. They are stronger than either the Kansss City or Columbus teams, and all they need is a little reorganization and judicious management. There is no club in the country that I had rather see pull up than the Louisvilles."

The new management is likely to got Duffee, of St. Louis, for their new fielder: though the Athletics would like to sell Mattimore, for whom they have no particular use just new. Hoover, the Kansas City catcher, will probably be signed for the receiving end of the new battery. The absence of Pete Browning from left field weakens the team, as Stratton's shoulder is too sore to throw well. Pete has not reported since the club got home and it is pretty certain that he will be released. Ehret a salo likely to go. It turns out that Davidson did not surrender the franchise of the club to the Association, though he so informed several reporters. Mr. Whittaker stated this afternoon that he Athletics had official information that he had given up the club. Consequently he had a perfect right to dispose of it. INPECIAL TELEGRAM TO THE DISPATCH,

THE COUNTY LEAGUE. last Enders Capture Two Good Game

East Enders Capture Two Good Games
From the Braddock Team.

The East End Athletics went to Braddock yesterday afternoon, and defeated the home team in two interesting games before a large audience. The feature of the second game was the wonderful work of Will Gumbert, who made his first essay in the pitcher's box, and heid the hard-hitting Blues down to three hittle hits, and struck out 16 men.

Gumbert was wild in the first inning, but after that he settled down and the Braddock boys could hardly touch the leather, let alone make a hit. Schoyer supported him in great style, saving several wild pitches by good stops. Gumbert's best ball is a terrific in-shoot, and his speed is something wonderful. If he can only get control of his drop ball, he will undoubtedly make a pitcher of the first-class order. Score:

BADLY BEATEN.

The Shadyside Athletics Met a Waterloo at Benver Palls. BEAVER FALLS, July 4.—The Shadysid BEAVER FALLS, July 4.—The Shadyside Athletics, of Pittsburg, came into town to-day boasting, and tried to give the home team a few pointers on the national game. To-night they are sitting in the Grand Hotel learning how to play "pins." The visitors were the poorest combination of ball players that has visited this city this season. They put up a miserable game and thoroughly disgusted a fair sized audience. Thomas was the only man who could touch Kerner, while the home players batted the ball at will. It is needless to tell how the game was won, other than the Beaver Falls played excellent ball throughout. Shuster's magnificent catch and Kerner's feroclous batting are worthy of mention. EXCITEMENT OVER THE RESULT.

The Belmont-Pittsburg match at Brushton yesterday ended in a decisive victory for the local men by five wickets. Belmont won the tose, and elected to but, but the bowling and fielding of the home team were so good that they were all dismissed for 63 runs. Pittsburg's opening was most disastrous, as four good man were retired for eight runs. When Pyatt and Horn became associated, however, the game seemed assured, but after their dismissal the outlook was again rather dubious. Frank Schwartz proved himself equal to the occasion, and the first inning ended amid some little excitement, with Pittsburg five runs in the lead. In the second inning Belmont again stakes, in which the much improved Proctor Knott defeated Spokane in hollow style, leading from start to finish and winning as he pleased.

THEO TO THE TABLE TABLE THE TABLE TABL A Fourth of July Meeting.

A Fourth of Jaly Meeting.

DETROIT, July 4.—An informal Fourth of July meeting was held at the Detroit Driving Club's park to-day with a good holiday attendance, It was a beautiful day. The track was about four seconds slow. There were two series of races, one for the 224 class and the other free-for-all pace, after which a special exhibition of speed was given by Johnston, the pacer, who has a record of 2054. Little Eva Genera and Dr. Frank comprised the field for the 224 class. Little Eva won the three heats without difficulty, making a time of 2254 in the last, which was the best time made by the 224 class. Genera was third in the first heat, and second in the second and third. Dr. Frank came in second in the Jirst heat, third in the second and third. Ed Annan, Chines E and Silver Thread competed in the free-for-all pace. Silver Thread won the three heats though closely pressed in each beat by Ed Annan, while Chimes E was out of the race each heat before the half-mile post was reached. Silver Thread made the mile in 21854 in the last heat, which was the fastest of the three. Johnston paced his mile in good style in 21134 which was fair work considering the condition of the track.

McKersport, July 4.—The opening of the McKeesport Driving Park took place this afternoon, and was attended by over 2,000 persons, Pittsburg and intermediate points being well represented. The event was a success beyond anticipation, and it is expected the races of to-morrow and Saturday will prove interesting, as to-day's results developed that which will cause the programme for the last two days to be extended in order to allow important local conjects to be decided. Many speeders from other places were on the track, and good local records were made. KcKeeport is wild over the park, and the outlook is good for horse racing to form one of the important features of McKeesport amusement in future. Opening of McKeesport Driving Park.

Philadelphia Cricketers Tackle the Gentlemen of Ireland.

OARSMAN O'CONNOR ARRIVES ALL RIGHT

(SPECIAL TELEGRAM TO THE DISPATCH.) LONDON, July 4.—(Copyright). The Mas-sachusetts rifle men shot their fourth match to-day, their opponents being 12 of the best marksmen County Essex could get together. The range was situated on South Downs, near Brighton. It is the proud boast of the folks thereabouts that the Downsare always breezy, and the Americans quickly arrived at the conclusion that the natives must be right. To-day a normal breeze developed into a fair imitation of a hurricane, but the local sportsmen would not have it that the wind was more than fresh. The fact remains, however that the wind was very strong and blow right that the wind was very strong and blow right across the range in an erratic fashion, very bewildering to the strangers. Major Frost seemed anxious, almost unhappy, when, for the first time since their arrival in England, his men were beaten in their favorite standing range, 200 yards, in which they were actually 12 points behind the Sussex men; but they pulled themselves together at the longer ranges and finally won the best contested match they have been engaged in this side of the Atlantic by 988 against 910 points. The best American score, 92, was made by Lieutenant Hussey, which was 7 ahead of the top score on the other side. Tomorrow the Americans will revisit Nunhead range, where they will meet some crack shots range, where they will meet some crack shots of the South London Clab. All the Massachu-setts boys started out to-day with a firm inten-tion to enjoy the national holiday with discre-tion. But fiesh is weak and American patriot-

tion to enjoy the national holiday with discretion. But fiesh is weak and American patriotism and conviviality strong. Nevertheless, the
South Londoners, although they have been
practicing assiduously to-day, are not likely to
lower the stars and stripes.

The Philadelphia cricketers commenced a
match at Dublin to-day against the gentlemen
of Ireland, in delightful weather and in the
presence of a big crowd, among whom were a
heart-stealing array of Erin's daughters, clad in
the most bewitching summer costumes. Fire
manner in which the Philadelphians played
cricket to-day against the Dublin University
crack teams has made them respected, and the
gentlemen to day played with a steadiness and
caution almost ludicrous, considering the slight
estimation in which the visitors were held until
they had proved their prowess. The gentlemen
made 206 the first inning, and at 7 o'clock, when
the stumps were drawn for the day, the Philadelphila's score stood 189 for a loss of seven wickets: Brown, 25; Thompson, 14; Clara, 52; Patterson, 29; Morgan, 33, not out; Brewster, 16;
Brown, 8, not out.
